

January 6, 2020

Dear customers

Notice of end of sales of guard columns and cartridges

We sincerely thank you for your kindness. Thank you very much for your special attention to our products.

With regard to the guard column / replacement cartridge that you have been patronizing recently, we will stop selling as soon as the stock is exhausted, taking into account the recent order situation and the shift to a simpler guard column have become. We are sorry, but we ask for your understanding.
